Abstract
<Insert Abstract Text, Maximum 250 words>
Pre-Proposal Narrative
<Title Page and Narrative Five Pages Max>

Section 1. Problem Statement.
<Be sure to explain why you believe the proposed work is relevant to the needs of the State of Connecticut or the Northeast United States.>

Section 2. Objectives of the proposed work.

Section 3. Methods, procedures, and facilities.

Section 4. Project timeline.

Section 4a.
<Provide a table or written timeline of anticipated activities to be conducted.

Section 4b.
<If a second year of funding is anticipated, provide a brief explanation of second year activities and justification for the need of second year funding in this section. Otherwise leave blank.>

Section 5. Training potential.
<Estimate the number of graduate and undergraduate students, of each degree level, including their major departments if known, who is expected to receive training as a result of this project.>

Section 6. References.
<NOT counted as part of the five page limit>
